WORK EXPERIENCE

Webmaster Remote Freelance

[Oozeme](#) | Goa, India

March 2024 – August 2024

I designed a WordPress ecommerce store for Oozeme. Answered client queries concerning website usage and design. Designed websites and internet applications that help businesses establish an online presence. Regularly reviewed content and elements on websites and pages to ensure accuracy and functionality.

Webmaster Remote Freelance

[Wall1ders](#) | New Delhi, India

June 2024 – July 2024

Created a WordPress ecommerce store for Wall1ders. Clients and employees received WordPress training. Designed and created a bespoke website presentation to obtain optimal results. I talked to the clients to discuss website design and functionality, as well as to address their queries and concerns. Implemented enhancements to improve site performance. Redesigning websites to increase navigation and visual appeal.

EDUCATION

Bachelors Of Computer Application

Don Bosco College, Panjim.

2022 - 2025
